Premium Payroll Solutions committed to making payroll
efficient, compliant and as **simple** as possible.

Working to tight **deadlines** and being flexible something **PPS** pride ourselves on.

Premium Payroll Solutions are committed to making the payroll of your temporary workforce **efficient, compliant** and as **simple** as possible.

Our key members of staff have experience in construction recruitment and understand the complexities which come with that.

We understand the 'real-world' view with the many pressures involved. Working to tight deadlines and being flexible something PPS pride ourselves on, meaning you can focus on recruiting and maximising your profitability, without worrying about all the headaches of payroll.

Our services are both efficient and competitive for both agency and contractor and our priority is to ensure everyone is paid correctly and on time. Our instant payment facility gives the flexibility run a payroll any day of the week.
